

## Owning Duracrete tanks ...

**25,000 Litres**  
**5,500 Gallons**

**22,500 Litres**  
**5,000 Gallons**

Means less of  
this ...  
and More Savings

- 10% extra capacity captures and stores greater volumes of FREE rainwater.
- Water supplies will last longer.
- Duracrete tanks reduce the need to buy in water.
- Over a period of 5 years this could amount to \$1500 or more.
- Select 2 water tanks and harvest more free rainwater.
